THOSE LYING EYES

Those sexy blue eyes seem so full of surprise, but **Emily** is not as naive as she seems. In fact, there isn't much she hasn't seen or done—especially when it comes to sex. With her buxom balloons and such a sweet coochie, is it any wonder this auburn-haired hussy has been around the block once or twice? We're not surprised, but we'd sure love to see her getting fucked for ourselves!

ROYAL ROMP

HIGH SOCIETY 21

This Royal Family lives their entire life—all the pomp and circumstance—directly in the spotlight. Every public gesture, every word, every event they choose to attend or not attend is scrutinized by an overzealous media. Every scandal and misstep is plastered on the front page of every magazine and newspaper in the Kingdom. So, when the oldest prince decided to marry a proper blonde slut named **Gemma Massey**, it kicked up some royal waves among the bluebloods. What's most important is that any new member of this Royal Family knows how to fuck—how else can they shore up the rather weak bloodline. The princes check out the commoner's cunt, testing it against her maid of honor, **Megan**. If the pussy is tight and she can suck multiple dicks at once while taking a cock in the ass, she just might be Royal material. And it also helps that, you know, she's not related.

Parody Pictorial: Not to be taken seriously.

HOLIDAY COCKBUSTERS OF 2012

BY RAMSEY STEELE

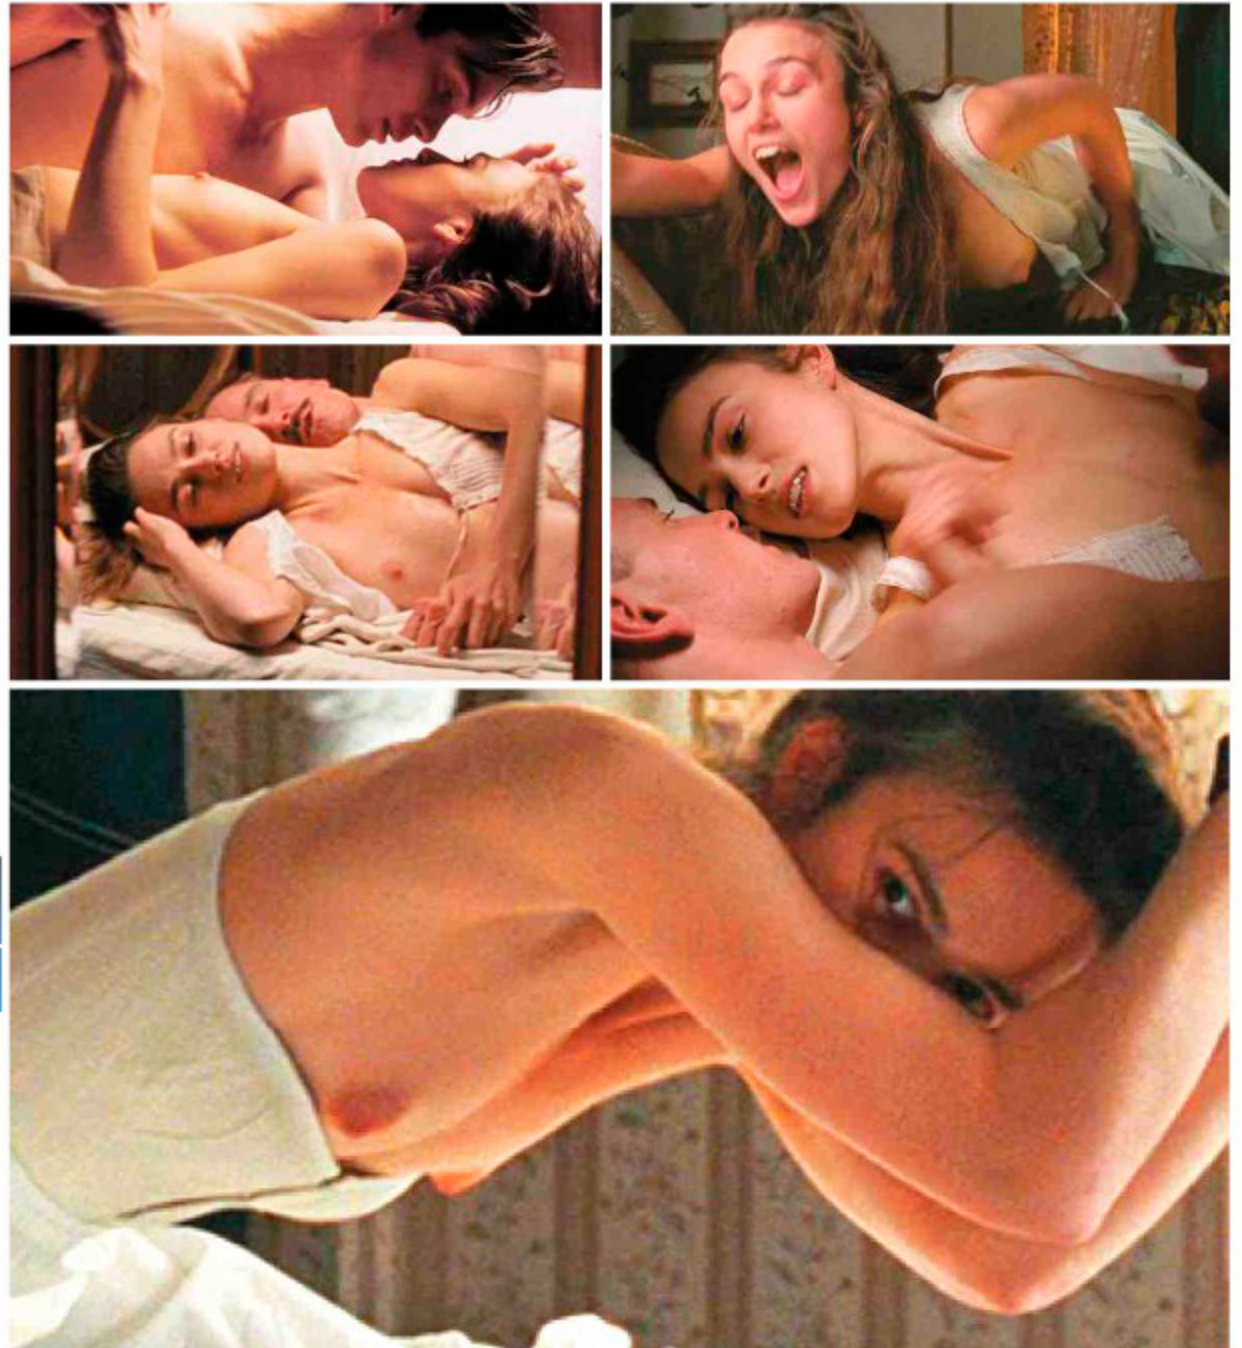

Hollywood is rolling out another Holiday Blockbuster Season for moviegoers as the year comes to a close—and **HIGH SOCIETY** is ready to unleash our annual leering look at the starlets who make the Season sizzle in **Holiday Cockbusters of 2012!** Grab some popcorn, grab a soda, and grab, er, anything else you might want to get your hands on as we present to you this year's selection of Silver Screen sexpots in their steamiest, sultriest performances!

KEIRA KNIGHTLEY

ANNA KARENINA

Curvy Keira Knightley takes on the title role in Hollywood's latest adaptation of Leo Tolstoy's classic 1877 novel. Directed by Joe Wright and co-starring Jude Law, Matthew Macfadyen, and Kelly Macdonald (see accompanying profile), the film will no doubt find Ms. Knightley clad in Imperial Russia's finest fashions, though we'd much prefer her slipping out of said wardrobe, as she did in the recent *The Edge of Love* (2008) and *A Dangerous Method* (2011).

RINKO KIKUCHI

47 RONIN

The highly anticipated fantasy-adventure-action extravaganza starring Keanu Reeves is a grand account of a real-life group of samurai in 18th-century Japan who avenge the murder of their master. If Ms. Kikuchi's role of Lady Mizuki is anything like the one she played in 2009's *Map of the Sounds of Tokyo*, then we're likely to see the Rinko acting a bit "kinko."

JENNIFER EHLE

ZERO DARK THIRTY

An action-thriller about the mission to hunt down terrorist Osama bin Laden, *Zero Dark Thirty* is directed and co-produced by Kathryn Bigelow and written by Mark Boal, the creative team behind the 2008 Oscar-winner *The Hurt Locker*. Juicy Jenny portrays an agent in the team of special forces operatives, analysts, and spies who join together to take down that bearded bastard! Lean, mean, and undeniably modern, the film is sure to be a far cry from Ms. Ehle's delightfully degarbed debut in the 1992 period mini-series *The Camomile Lawn*.

ROSAMUND PIKE

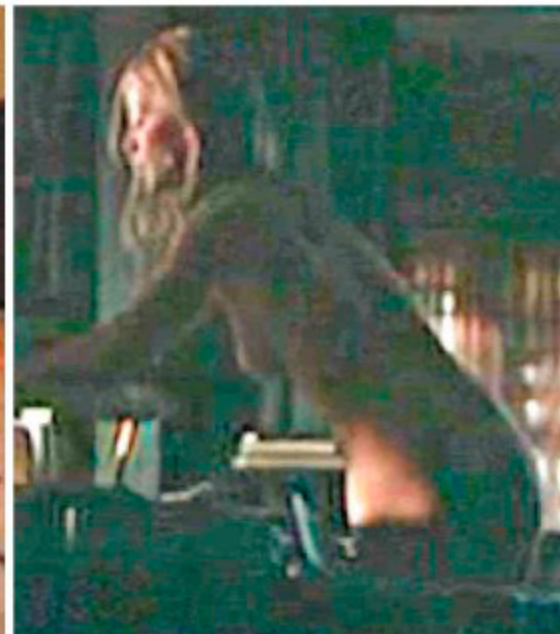

JACK REACHER

TOM CRUISE
IS
JACK REACHER

DECEMBER 2012

Rising starlet Rosamund Pike stars opposite Tom Cruise in the film version of Lee Child's 2005 best selling thriller novel *One Shot*. The movie finds her portraying a young defense lawyer who gets involved with Cruise's leading man, a former Army Military Police officer-turned-drifter. It's a star-making role if ever there was one for the former Bond Girl (2002's *Die Another Day*), who's since gone on to addle our eyeballs in such flicks as *Fugitive Pieces* (2007) and *Barney's Version* (2010).

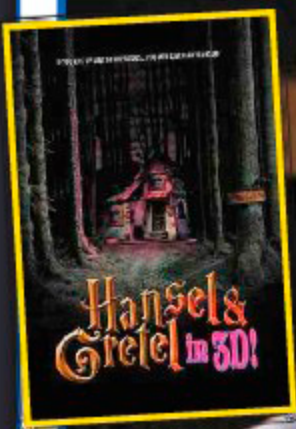

CAREY MULLIGAN

THE GREAT GATSBY

In his landmark 1925 novel *The Great Gatsby*, F. Scott Fitzgerald describes his heroine Daisy Buchanan as "the girl whose disembodied face floated along the dark cornices and blinding signs" of New York. We have no fucking idea what that means, but it sure as hell sounds sexy! That said, based on what we've seen of Carey Mulligan in 2009's *The Edge of Love* and 2011's *Shame*, we're sure she's up to the task in Baz Luhrmann's new film version of *Gatsby*, starring Leonardo DiCaprio.

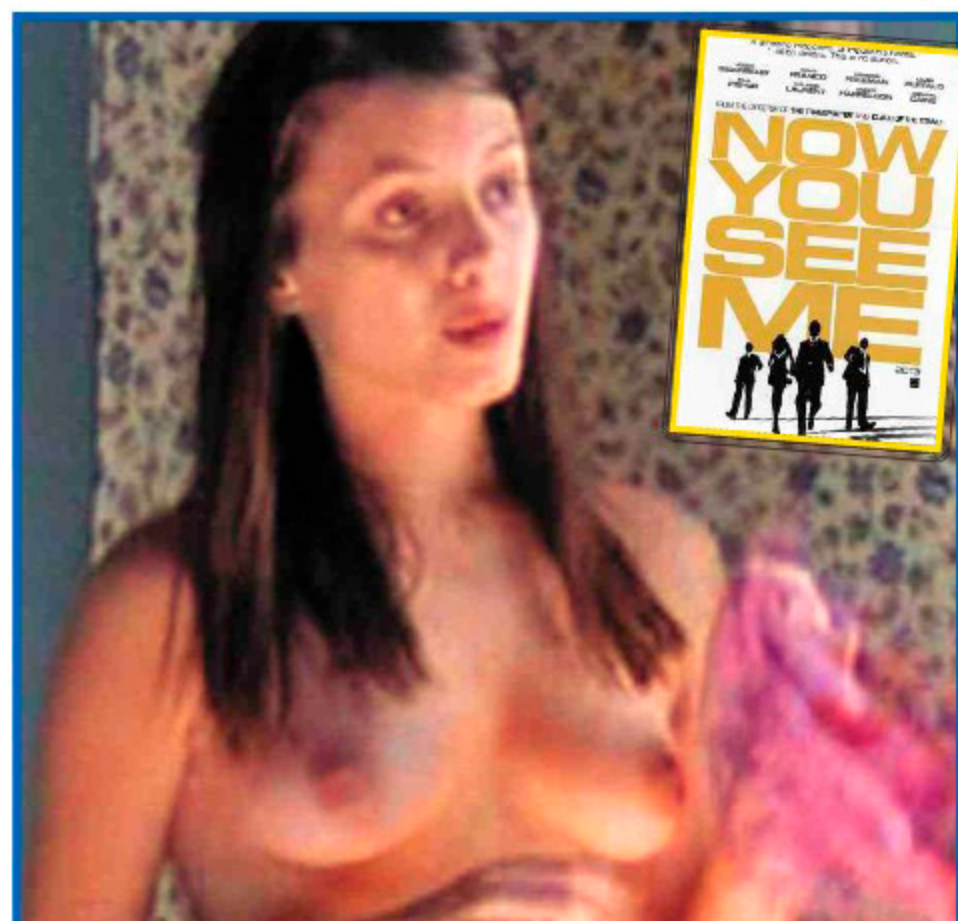

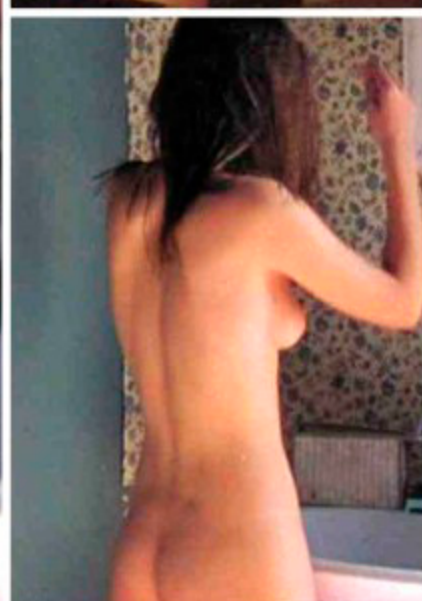

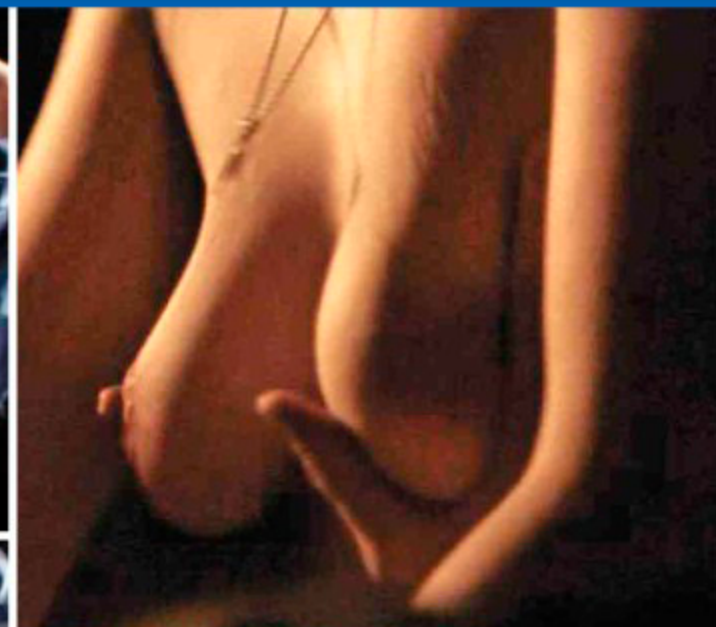

GEMMA ARTERTON

HANSEL & GRETEL: WITCH HUNTERS

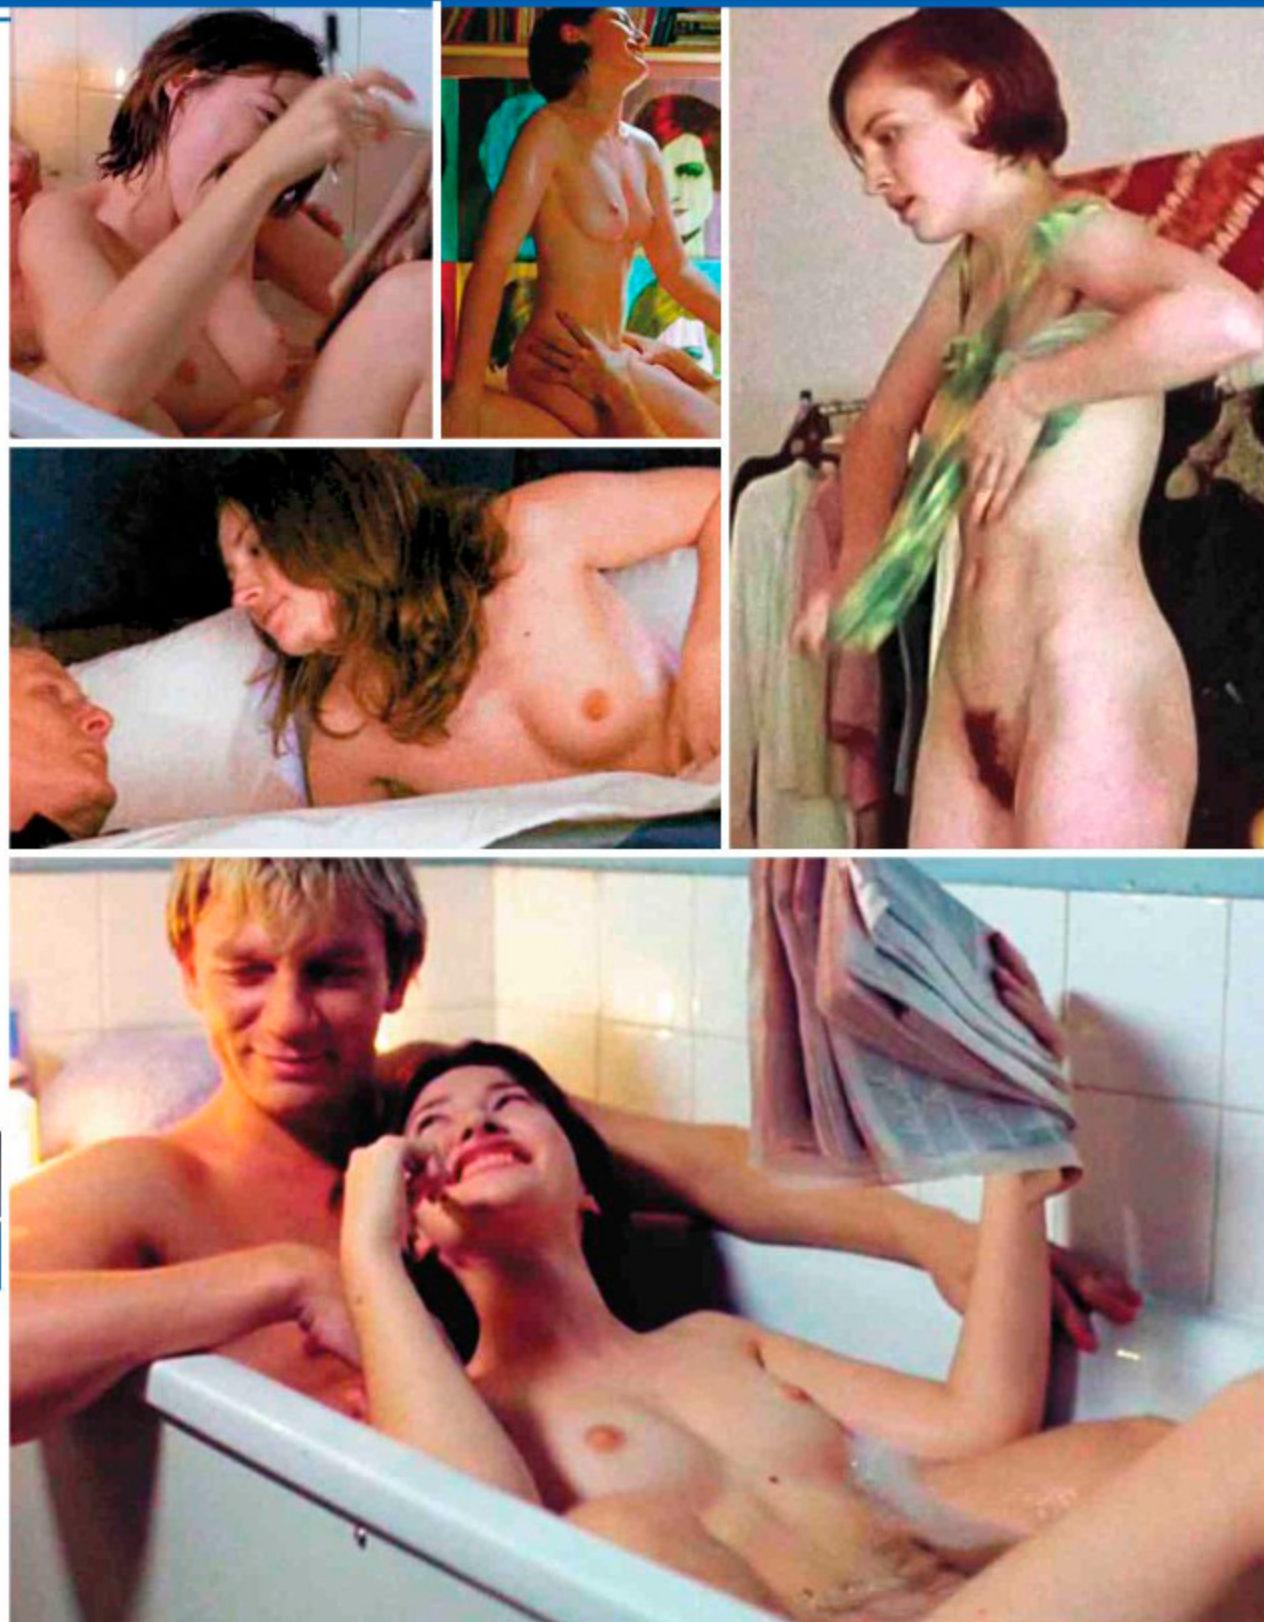

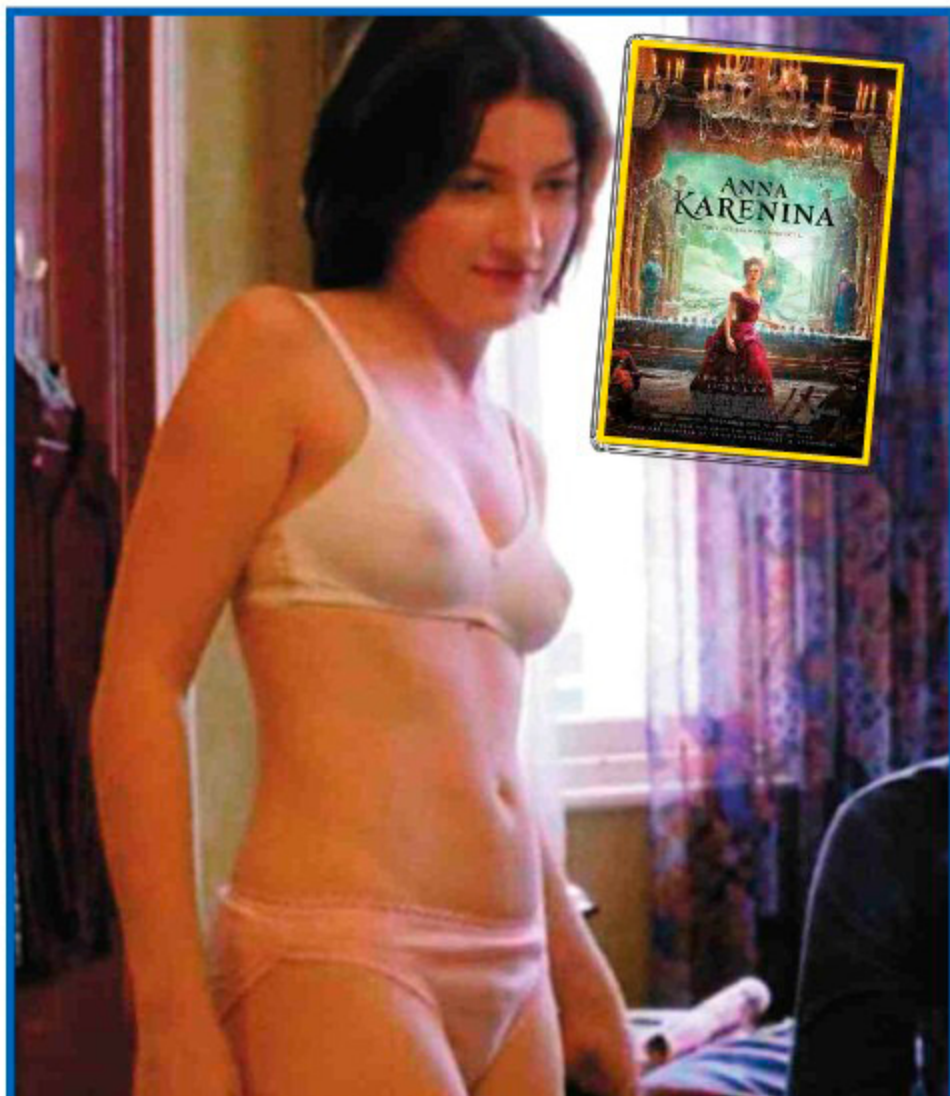

An action-filled horror-comedy that serves as a continuation of the classic fairy tale by The Brothers Grimm, *Hansel & Gretel: Witch Hunters* stars glorious Gemma Arterton as one half of the titular duo (Jeremy Renner steps up as her bro Hansel). The story is set 15 years after the traumatic incident involving the infamous gingerbread house, and the siblings have evolved into vengeful bounty hunters dedicated to exterminating witches. We're willing to suspend our disbelief for all things Gemma, particularly after seeing her *unbelievably naked* in *Three and Out* (2008) and *The Disappearance of Alice Creed* (2010)!

MÉLANIE LAURENT

NOW YOU SEE ME

An odd little thriller concoction about a squad of FBI agents tracking a team of illusionists who pull off bank heists during their performances and reward their audiences with the money, *Now You See Me* has a lot of potential. And we're not referring to its testosterone-injected ensemble that includes Morgan Freeman, Michael Caine, Woody Harrelson, and Mark Ruffalo, but rather the presence of foxy French sex kitten Mélanie, who most notably strutted her stuff in 2004's *The Last Day* and 2010's *Beginners*.

KELLY MACDONALD

ANNA KARENINA

The always-game Kelly Macdonald takes a break from her cavorting on HBO's *Boardwalk Empire* to join Keira Knightley in Hollywood's newest take on Tolstoy's romantic masterwork. Like her co-star Keira, we're hoping Kelly (who portrays Anna's brother's wife, Dolly) puts her colorful corsets aside and loosens up like she did in 2000's *Some Voices* and the 2005 BBC TV movie *The Girl in the Café*.

OLGA KURYLENKO

SEVEN PSYCHOPATHS

Ogle-worthy Olga is the latest babe to break free of the Bond Girl ghetto (following her turn in 2008's *Quantum of Solace*). The violent dark comedy *Seven Psychopaths*—which concerns a gang of dog kidnappers who get in over their heads after they snatch a dog who just happens to belong to a very dangerous man—finds Olga going for laughs along with the usual lust we've enjoyed in such outings as *Hitman* (2007) and *The Assassin Next Door* (2009).

TEACHER'S PET

32064

Allie enjoys taking piano lessons from **Tanya**. The teen sweetheart has learned so much from her MILFy mentor—and now it's time to graduate to another kind of lesson, one far less innocent but loads more fun. When her teacher told her to bend over, Allie was a bit surprised, but always the obedient student, she followed her teacher's orders to a tee. Before she knew it she was getting her precious asshole licked silly! And when the next student arrived for his lesson early, he whipped out his cock and joined in the group lesson, fucking both teacher and student in a slutty 3-way that blew his mind and his wad!

STARRING: ALEXIS TEXAS, KRISTINA ROSE, MISSY STONE, ASHLI ORION, LILY LEBEAU, SKIN DIAMOND, VALERIE KAY, ASH HOLLYWOOD, ISIS TAYLOR, JAYDEN COLE, TAYLOR VIXEN, SHYLA JENNINGS, DANI DANIELS AND HEATHER STARLET **DIRECTOR:** JENNA HAZE **STUDIO:** JENNARATION X STUDIOS

If Jenna Haze hadn't already established herself as an exceptional and original director, the announcement earlier this year that she would no longer be performing would have cut more deeply. Sure, we selfishly would like to get a few more than the 10 years she gave us, but with releases like this we know her distinctive mark remains, if in a different way.

Meow!, the first volume of which was awarded Best All-Girl Release at the AVN Awards, does not falter with the Second Edition. There is no Jenna, but there are 14 girls (plus a pair of bonus scenes) to help boggle one's mind with lesbian fantasticalness, so we trudge on.

It's more than a lucky day when one hits the pool and finds a trio like Taylor, Jayden, Isis getting some sun and frolic in. Of course it's the stuff of fantasies to watch these babes de-bikini'd and splashing and oiling each other up before they take turns enjoying all that

wonderful space that is normally covered up at the pool.

If it's possible to stand out of these three, Isis manages, perhaps because of her fantastic tits, which are mesmerizing—and not just to us. The girls feast on her, too, and seem to make her the

we got footage of this one.

Another conflict that needs to be resolved is Ash's flirting with guys. She says she's just doing it to get some free drinks, but her girlfriend Lily isn't pleased. Ash knows how to please her jealous lover and soon Lily goes from howling about Ash's flirting to marveling about the magic tongue and fingers of her sweet lover. Her body almost seems to explode, as Ash knows just how to please her lover.

Lily does a lot more than flirt when she gets the opportunity to get between Ash's legs and even gives her a loving rimjob that reminds her girlfriend that she is always there for her, slipping her tongue as far as possible into her ass. That's love and they both know it. Theirs is no problem a few shared orgasms can't fix.

For a battle of today's great asses look no further than the epic rear-ends of Alexis and Ashli, and this is the kind

center of the Bermuda Triangle, where clothes disappear and hot things happen, but only to other people. At least

Porn's Bermuda Triangle: Taylor Vixen, Jayden Cole, and Isis Taylor make fingers and tongues disappear under mysterious—but sexy—circumstances.

Flirting With Dis-Asster: When slit slut Lily starts acting out, her friend Ash cums to the rescue by, naturally, licking ass.

of competition everyone can enjoy, though none more than its participants. The eagerness of each adds to the drama as they explore the entirety of their bodies, and linger on the hot spots that get the other off.

In what could be a scene plucked from Jenna's real life, Shyla complains to Dani that Jenna is refusing to approve

anyone she tries to cast for *Meow! 2*. Surely Dani knows how to change the mood and in perfect timing dumps her corporate look for the equalizing nakedness that shows off both their natural bodies.

After some fun on the desk, the pair gets past the casting blues with a sizzling 69 and seeing Shyla sitting on Dani's

Epic rear-enders Alexis Texas and Ashi Orion battle for the title of "World's Best Keister!"

face is a particularly alluring sight. Their pussy-hunger is met as they get their fill of each other's snatch. Looks like Shyla just found another girl for the movie—one that Jenna couldn't possibly reject!

Naturally this means plenty of ass attention and then there is some toy fun, with Ashli giving Alexis the clit stimulator/dildo simulblast, and then Alexis bends over and lets Miss Texas have her way with her with a toy until both

their asses (and other parts) are completely satisfied.

The pairing of Skin and Misty is arguably the best of *Meow!* 2. Each is sultry and exotic in her own special way, and the horniness of the pair is undeniable. Skin gets things started doing a hip shake and getting her ass ready with the help of a butt plug. Misty then dances over to Skin and starts by giving kisses to her stockinged-foot, teasing Misty as she works her way to the treasures above.

When Shyla can't seem to find a partner for her sex scene, Dani quickly rushes in, triggering an explosive orgasm from Ms. Jennings as well as numerous others off-screen by the crew.

Jennaration X studios

With the help of a glass toy and Skin's fingers, Misty gets a great ride and cums hard and it's almost a disappointment that it has to end. We are quickly revitalized as Skin takes the dildo up her ass, which she pushes up in the air as she lets Misty have her way with it, showing a patient, sexy penetration that brings about an orgasm that almost blows Skin out of her mind.

Another trio that'll test the buttons on your dungarees is Kristina, Heather, and Valerie. One could easily tire his eyes trying to take them all in, but take your time, each girl gets your attention and there's no need to stress one's eyesight with this nice, long scene.

Stunning ebony goddess Missy Stone works her mouth harp deep inside Skin's diamond dumper.

Cunnilingus champ Valerie Kay executes a perfect Double Bowling Ball Grip (top right) on goo gals Kristina Rose and Heather Starlet.

*Jennaration*Xstudios

This time the threesome is in bed, with the girls all playing with their cell phones before realizing there is a lot more fun to be had with the girls in the room. They play a little Truth Or Dare and soon there is some kissing and Heather is playing with Kristina's enviable ass. Valerie is the first to be taken advantage of, Kristina on her face and Valerie snatch-lapping, before they switch places in an apparent attempt to squeeze out every orgasm possible out of the long-legged stunner.

Valerie recovers well and is able to join Kristina in pleasing Heather, and then Heather in driving Kristina crazy. It's an exhibit in sexual unselfishness and the orgasm count goes off the charts.

This is lesbian hardcore at its finest and Jenna gives it her all the same way she gave everything in her on-screen performances. This is a keeper that will have you replaying it and seeing things you didn't notice the first time just like any classic movie.

ALL ANAL ALL THE TIME!!!

Getting my first nipple pierced felt so good it almost hurt," moans Columbian ass slut, **Yoha**, about to take a juicy jizzload of hot stuffing up her squeaky tight gut gutter. "So I had the guy take the safety pin back out of his balls and pierce the other nipple, too." Whether getting her titty pierced or her shitter speared, both release the same flood-rush of natural feel-good endorphins throughout her fuckable body. "By the end of the day, I even had my belly button pierced," she says, contemplating a bone in her nose while she takes one up her happy little butt.

SECRETARY'S DAY

31965

Most bosses get their secretary's flowers or take them out to lunch on Secretary's Day. **Rebecca** took a slightly different approach to showing her appreciation—by finger-fucking and cunny-lapping her assistant! After Rebecca's tongue got tired and her chin was covered in quim-sauce, **Suzie** took her turn "thanking" her boss and returning the favor by tasting Rebecca's flavor. It's nice that employer and employee can have such a deep, personal appreciation for each other!

The background is a vibrant, textured red with a mottled, painterly appearance. A long, curved blade, possibly a sword or dagger, is positioned diagonally across the upper half of the image. In the lower-left corner, there is a dark, shadowed area containing a high-heeled shoe. Scattered in the lower-right area are several items: a small rectangular object, a handgun, and some crumpled paper or fabric.

50 SHADES OF WHITE

Story by PETER THOMPSON

Illustration by WAYSHAK

Samantha is about to get shot in the face. She stares down the barrel, noting how it throbs with every stroke. Her posture is one of complete subservience—she waits on her knees like a beggar, writhing with anxiety. Her mouth is wide open and her lips are trembling. She wears a huge smile of insistence—she's ready to catch a meaty white load with her sweet, innocent-looking face. She closes her eyes, emitting a simultaneous moan and growl. She begins a countdown in her head: Three-Two-One...The balls constrict and the shaft pulses. Like any good beggar, she will be grateful for whatever gruel she gets, yet in the deepest, wettest recesses of her pussy, she's hoping to be hit with a fire hose full of enough jism to put out a raging wild fire, like the one that's smoldering inside her panties. The dude howls with severe gratification.

The cum is shot.

It's a dud.

She feels a tiny bead of hot, wet semen on her forehead and then nothing. She blinks her eyes open. He's not a fire hose, he's a broken sprinkler. He needs a bib under his ballsack to catch his trivial dribble. He empties his dick with a well-placed squeeze and stands motionless looking dumb, satisfied—and finished. That's fucking it, she thinks? She wipes away the splodge droplet with the sleeve of his shirt. That's really all there is?

"I think you gave me a welt," she says, hoping he'll get mad and try again.

Instead he's contrite.

Disappointed with the lack of fireworks, she sighs, slowly gets up, and walks out.

When it comes to the money shot, most women have very expensive, even decadent taste. More mess equals more pleasure—a hulking, syrupy load of jism is most desirable—like someone flinging an overflowing bucket of pig slop into a trough. Guys who can't bring the bulk are practically worthless to the modern whorelet. Today's woman wants hazmat

deliver the sloppy goods; a stud who can turn her face into a jizz bog with a single shot.

She goes back out to the bar and starts pulling in the guys one, sometimes two at a time.

A yellow load full of chunks and bubbles slithers like discarded cooking oil down her tight body. She pants and gasps, trying to gather her breath and maintain her composure after the merciless 40-minute deep-throat throttling she just entreated from the pair of unshaven schmucks and their crusty cocks. She hiccups the first load out. The already spewed and swallowed semen turns to string on her tongue then slowly rolls down the pout of her lips and onto the front of her tight T-shirt, where it slowly tarns between her perky little tit-apples. It's nice, but it's not the white whale of a wad for which she's been searching.

The next dude drops his pants for the sexy ingénue. He grabs her head like he's putting something in his cart at the market. He leads her back and forth along the length of his turgid shaft. It tastes like rancid fish pudding that's been sitting in a bag of trash in the sun. "I ain't showered since I beavered one of granny's friends at the senior center couple weeks back," he explains. "Or was that last month?" Luckily enough, Mr. Stank Pecker doesn't last long. She feels his balls tighten and his kegels tense as he pulls out and dispenses an eyeful then fires a wild second volley that lands in her loose curls. It's the largest load yet and proof that the mere infrequency of orgasm serves her cause well.

Fact: The more you cum, the less you'll cum. Makes sense.

His busted genital grape collects in

barnacles. He stands her up, turns her around, and lifts her dress. Her butt cheeks are white and pristine when spread open. He holds them apart and bends over for a deep huff of butt and youth. Her asshole is tiny and pink. He gobs spit into his closed fist and spackles her twat with his wet paw. He's an old pro. He's hard as he goes inside her. He wraps his hands around the flares of her hips and pumps furiously. He plugs her hard, cries out in what's either grueling agony or a stroke, then jams his drumstick deep inside her, spewing his thin, white birdshot into the creases of her hot yap. The old fart's watery goop seeps into the deepest recesses and the sticky velvet folds of her swollen cerise cunt before he gets a hold of himself and aims it at her face. It doesn't feel like much. He squeezes one more pearl of dick paste from his

wrinkled tube. He pulls a check-

book from his pants. "Where

do I pay?" he asks. The next dude waits on deck.

Another truth: Age and health help determine the volume of cum a man generates.

She scowls contemptuously. Her steamy creampie dribbles globules of sour seed onto the stained bathroom tile.

Spropping skeet is more than just a gallant act. It's both an introduction and a dismissal—an off-white exclamation point to punctuate a rough and thorough rutting.

Any man with *cajones* enough to launch a load into a pretty face should take pride in his presentation. A worthy cumshot is achieved only through proper preparation, presentation, aim, and most importantly, volume.

A man's load is his ejaculatory John Hancock, a sticky signature made up of more than 400 million individual sperm cells, all squiggling like legions of ADHD tadpoles moving in a mad rush of sticky fluid. Genital graffiti also serves to mark

Over a lifetime, the average man will ejaculate enough sperm to fill a bathtub full of his own jism.

suits and cleanup teams involved. She demands that a man jacking off on her face is capable of bringing the chowder to the table.

Everywhere she goes, every time she backs into a bathroom stall with a dick in her mouth, she feels nothing but drips and drops of disappointment.

Eventually, it's enough to put her on the penis puke-paved path to enlightenment. She goes on a vaginal vision quest—a sexual expedition to find a man who sprays his seminal fluid like a skunk on bath salts. It becomes an obsession. She walks deep into the wilderness in search of the man who can

and around her violet eyeball. Testicle tears stream down her lustrous cheeks, raining drops of DNA on her already cum-stained shirt. A glaze of rancid genital rot runs onto her silky, supple cleavage. Strands of her hair are mangled and matted with loin lava. He picks his pants up off the floor and runs out.

The sperm donor line quickly stretches out the bathroom door. The next man, a slight and elderly old chap, mumbles something to himself, loosens his belt, and pulls out a huge horse-sized cock. It looks like an ancient relic from the past—like something from a shipwreck. It appears to be covered in

a gentleman's territory.

For the woman about to be blessed with a cache of cum, it's many things: a warm meal, a precious paste, a hot, white magic wad, and a grand prize payable in a string of spurts and squirts.

But every man who wants to bathe his ladylove in semen is always on the lookout, always in search of more: More spunk. More cum. More yam jam! A man can only be truly satisfied when his beloved is buried inside a monstrous, superhuman wad of wet ball waste. Men want to wield the wrath of seminal tsunamis, soaking their ladies in epic tidal pools of titty polish. Every man

wants to shoot larger, thicker, shroud-like loads instead of a middling teaspoon-full of scrotal scrap. An average ejaculation spews out a paltry 2.5 grams worth of testicular tapioca.

There's got to be a better way.

Despite what certain freaky feminists claim, a facial cumshot is not an act of degradation. A lovely lady can find far worse ways to disgrace herself than allowing her visage to be bombarded by multiple loads of penis pus. In fact, there's just no room for sexual politics under a thick layer of what looks like melted Easter peeps caked to a happy face.

A facial is one of the highest honors a man can bestow upon the woman he's fucking.

The popular Japanese sport of *bukkake* (100 dudes wearing nothing but socks and sandals crowded into a warehouse with orange Cheetos-

A lovely lady can find far worse ways to disgrace herself than allowing her visage to be bombarded by multiple loads of penis pus.

stained fingers, spewing their nasty anonymous loads directly on a willing woman's face or in a cocktail glass for her to enjoy later) is not about shamming—it's actually a celebration—like the Fourth of July. There's a Mardi Gras parade in every busted nut. Every time you glaze her fuck-donut with spray-on DNA you're affirming the beauty and goodness of the human race. With every filthy splatter-shot that drips off her chin and lands on her creamy tits, humanity moves forward exactly one crotch-length. Or, maybe it's a move backward. Who gives a shit, really? What's really important here is that men are able to blow bigger and better loads—atomic loads measured by the megaton. Because, let's face it, when a bitch cries out for you to "Cum on my fucking face!" or "Shoot your nasty fucking load all over my tits, baby!" she deserves to be drenched in enough jism to float.

With that in mind, I've undertaken a massive eight-week research project in order to find out exactly how Joe Teaspoon can blow the biggest loads possible, to become a genuine jizzmaster: a one-man *bukkake* machine!

Like any research project, the first it needs is proper funding. Sadly, the NIH (National Institute of Health) and the local university biology department turned down my request for both lab space and financial aid with extreme prejudice and the threat of a restraining order should I be found anywhere on campus. Then it hit me—since the

pointy-heads at CERN (the European Organization for Nuclear Research), the world's largest and most expensive particle accelerator, had achieved their principal goal and found the Higgs boson, perhaps they'd be willing to let me use the Large Hadron Collider (LHC) to crank up a shot of semen close to the speed of light and unload it directly into the face of a hot Euro-chick. Instead of focusing their energy on figuring out the secrets of dark matter, physicists should have a duty to reveal the secrets of white matter, or off-white matter.

Nope.

I didn't get one response from any of the major defense contractors, NASA JPL (National Aeronautics and Space Administration Jet Propulsion Laboratory), the Skunk Works, or DARPA (Defense Advanced Research Projects Agency).

Fuck 'em. In the spirit of scientific endeavor I'd forge my own path—I'd set

seem to help much in the way of adding volume to a cumshot.

In order to establish a reputable baseline for any and all future research on load-blowing, I've decided to do everything by the book. Unfortunately, there are no books about it either. I'd have to use the scientific method, collect any and all information and make sure my conclusions were all repeatable.

ABSTRACT

Whether it's called wanking, whacking-off, jerking, whipping the bitch, or beating your meat like it's your girlfriend's insanely bothersome kid, human beings have been squeezing their meat since the dawn of civilization. Sexologist Alfred Kinsey's 1950s sex studies showed that approximately nine out of 10 men masturbate at some point in their life, while the other one out of ten is likely just lying.

A similar 2009 Australian study found

out to find the secrets to blowing huge loads without anybody's assistance. Without so much as one government or university dime, I would manage to set up a crude but effective research project using the latest in big load research materials.

Unfortunately, there isn't any.

The entire field consists of conjecture and suspicion. There's no standard body of research to fall back on, no academic papers or national publication to peer review the findings, just a lot of urban legends from retired porn whores and anecdotes from semi-pro perverts.

Certainly, XXX actors have relied on their own recipes for maximum scrotal slime for decades. Some still photographers still resort to kitchen mixtures of pastes, lotions, and soaps to make their cumshots look more impressive. I, for one, don't think soap has any place on a porn set.

Among the most popular and well-known DIY recipes for blowing big money shots include abstaining from sex and masturbation for three days and then eating bunches of soft bananas and drinking half gallons of whole milk about 12 hours before showtime.

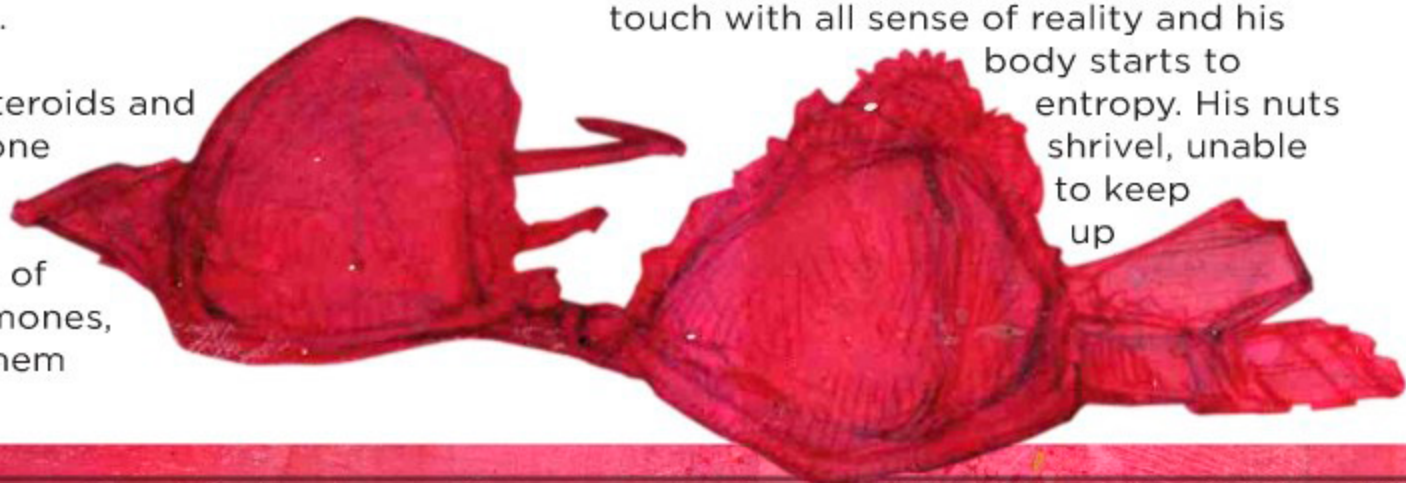

While steroids and testosterone boosters can raise your level of male hormones, none of them

that daily masturbation is important to maintaining a healthy sperm count and prostate.

We know the facts: Whether you light scented candles around your bed and pour on the pre-warmed penis cream, making love to your crotch like a housecat in heat, stoke and stroke it in the shower with a bar of soap, or find a hot porn scene on the computer or DVD and twist one out, choking the chicken is a part of every day life. To some, it's even a chore.

For those who lack any pretense of self-control, self-medicating by jizzing constantly is a major, still growing problem of living in the Internet Age. Some men altogether cease to leave the house. Real women, with their pussy stink, their queefing, and complaining are too much for these homebodies to bear. They lose their jobs, lose contact with their friends and family, and quickly turn what was once a healthy hobby into a dangerous obsession. They become addicted to making love to themselves and rubbing one out quickly becomes two, which eventually becomes six. They eventually turn into pasty, broken souls who TiVo *The Big Bang Theory* and shop by catalog. Soon, the chronic masturbator loses touch with all sense of reality and his

body starts to entropy. His nuts shrivel, unable to keep up

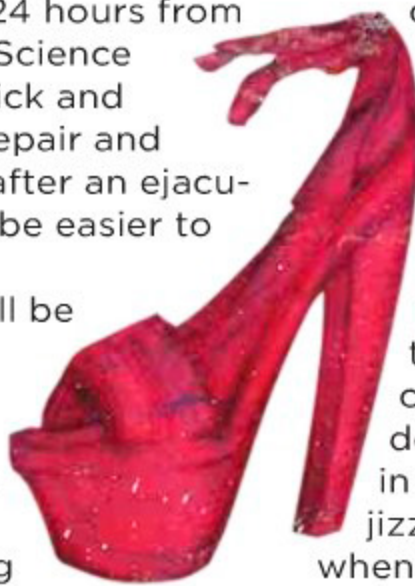

with sperm production, and his balls begin to untether. Even speech becomes a challenge. He stutters. His balls remain perpetually sore as his spunk spickets race to try to keep up with his massive discharge. Masturbation becomes his entire life. He's not above employing a jelly-filled plastic bag in-between his mattress and box spring to simulate a butthole. In short, he begins to commit jihad against his own johnson. If you want to improve the size of your loads by 50 to 100 percent, you've gotta make the commitment to off days. You can't always jerk off every time you're bored and need to kill 20 minutes.

METHODOLOGY

It's important for any experiment to be a fair test, with the results obtained answering the same questions and producing repeatable results. The scientific method allows us to explore observations and see how added variables

The men will be asked to refrain from sexual activity other than masturbation (none of these guys were gonna get laid anyway) for the four weeks of the study, so there's no cross contamination of heavier vaginal elements, such as pussy crust or twat stank. Each subject will be allowed to masturbate only one time per day, as close to 24 hours from the last time as possible. Science tells us that it takes the dick and balls around 12 hours to repair and restock itself with spunk after an ejaculation, but this way it will be easier to remember.

Once a day. The men will be allowed to masturbate to anything they want to, including their imaginary girlfriends, videos, magazines, erotic letters, or store mannequins. So long as they shoot into the small cup provided for the day, make an accurate measurement, and fill out the daily

day increase came from subject #4, a methamphetamine enthusiast, who said he traded the digital scale for \$10 worth of the drug, smoked it, and then spent the next 22 hours masturbating before he finally blew his load. This in fact tripled his volume to 1.205 grams. I asked him how he weighed his jizz without the scale. He insisted this was the correct weight and somehow I believed him.

I soon found out that test subject #7 was something of a sexual criminal. "Jose's a pervert," complained his mother over the phone. Apparently, #7 enjoyed trolling around the local college campus and finding unlocked car doors, getting inside and jerking off in them while honking the horn. His jizz numbers were somewhat larger when he admitted he had cum inside a car, but I didn't want to be responsible for whatever he was going to try next, so I dismissed him from the study. Two

A man can only be truly satisfied when his beloved is buried inside a monstrous, superhuman wad of wet ball waste.

affect the outcome of the test. It's the simplest method to show cause and effect in science—changes to one item (say, a penis that is whacked off three times a day instead of two) changes the results of the test in a predictable and repeatable way (the volume of jizz from said penis is reduced by about one-third per orgasm).

Now, since the effect we want to achieve here is to find out what substances you can take or ingredients you can ingest that will cause the highest increase in volume of baby splatter, we need a simple repeatable masturbation schedule and a group of test subjects willing to follow it.

We will need approximately two dozen masturbating volunteers and an accurate way of measuring their loads so our numbers are as accurate as possible, and that's all before we start adding in the different variables in diet or substances.

We must first establish a baseline reading of the average amount of cum spurted per load by each volunteer to find both a daily and moving average and standard of deviation for our test subjects. To accomplish this, we'll need to establish some ground rules. To wit: each of the 24 volunteers will receive a digital scale, highly accurate to 0.001 grams. Since the average weight of ejaculate is 0.4 grams per orgasm, this will let us keep track of any increases or decreases in pud mud.

portion of the log. This part is for specific thoughts that the men are fantasizing about when they ejaculate—perhaps a test subject is having trouble one day or he doesn't feel like experiencing an orgasm that day. Test subject notes will be invaluable as I get to the end of the experiment and start crunching the numbers.

Because we are working with zero budget and have no money to pay any healthy volunteers, I selected the men right from the stools of the no-name bar downtown that sells 75 cent beers and dollar hot dogs on Tuesday nights, with promises to provide them with free beer and hot dogs every Tuesday night during the study.

RESULTS

The first week of the study, all 24 of the test subjects were allowed to eat what they wished and go on about their business as they usually would. This was meant to establish a baseline cum quotient for each deposit. Unfortunately, two of the volunteers found that

the experiment impinged upon their lives too much (one was afraid to leave his house and the other broke his scale by trying to fuck it) and they decided to quit the very first week. There was actually very little difference between the largest load shooter and the smallest load launcher (only an average of 0.105 grams a day), which I attributed to all the subjects being somewhat vigorous perverts. The biggest single-

weeks later his mom called with still another different complaint: "Jose likes to urinate in the unfinished basement."

On advice from a former porn star currently serving time behind bars, anything with the word "nut" in it was a winner. Peanuts, Nutter Butter, Nutella—it seemed like an obvious one to test out and attempt. I gave the information to test subject #9. He ignored my advice and instead decided he would eat his own nuts—he literally began eating his own loads. In theory, it's not the craziest thing to do, but in practice, it scared the hell out of me. He came up with all sorts of sperm smoothies that actually did seem to increase his ball volume by about 15%.

By Week Two, we were busting nuts and busting myths about ejaculation.

As test guinea pig #1 soon proved, smoking massive amounts of cigarettes has a slightly deleterious effect on the amount of love that squirts through the head of your penis, and it does seem to contribute to a more jaundiced color of cum.

In normal healthy adult males, sperm production is a constant ongoing process, 24 hours a day. What you put into your body will obviously effect what comes out.

Over a lifetime, the average man will ejaculate enough sperm to fill a bathtub full of his own jism. My main worry was that one of my volunteers had been secretly depositing his lifetime worth of snizz into his bathtub and would drown in his own filth.

Studies have been done on how to

alter the taste of your jism. However, #9 was eating his load. It's a common known fact that substances like pineapple juice, bananas, and papaya juice have the effect of sweetening up your jizz. The caloric content of the average load is about 20 to 25 calories per teaspoon. So a woman has to be a regular *bukakke* drinker in order to put on weight from drinking cum. Still, sperm is full of protein, so if you're ever in a survival situation, feeding a pretty girl your hot jizz could keep her alive. Direct injections in the pussy and anus seem to be the most efficient way of getting this life-saving substance inside her. A group of concerned men feeding her twice a day could conceivably provide her with up to 400-500 calories per day. Those are calories that could save a life.

The French call an orgasm, "la petite mort", or "the little death." "The Big Death" is trying to keep track of two dozen masturbating lunatics.

Kegel exercises or focused muscle control can also make a difference in ejaculatory volume. But results can take several months to achieve and it involves work, which is not the specialty of any of my volunteers. Still, I gave test subject #11 directions on how to perform the basic muscle tension and release exercises and paid close attention to his liquid feedback numbers. I knew that #11 was perhaps the biggest alcoholic among all of the volunteers. And by biggest, I mean he weighed about 500 pounds and would regularly drink four to five bottles of wine during happy hour. Every day his sperm volume seemed to increase by .05 grams. I later found out that his numbers were off because he had been jacking it on the toilet and his scale had fallen into the bowl.

"An adult sperm whale can jizz like 50 gallons at one time," said #8 over the phone. It was after four in the morning. He sounded out of breath. I thought I heard the sound of waves crashing in the background. "That's enough to fill the trunk of a Buick," he said.

With every filthy splatter-shot that drips off her chin and lands on her creamy tits, humanity moves forward exactly one crotch-length.

I knew for a fact that #8 drove a Buick. I quickly hung up the phone. I was losing research subjects faster than I'd expected.

Wheat germ is disgusting, but the scientific literature tends to offer it as one of the best foods at increasing the volume of a man's love juice. Eat the most wheat germ possible and wait

about 12 hours before you milk yourself. I tipped off test jacker #12. There was no change at first, but he did notice a minimal gain in load weight and in his own words "My spunk covers more of the mirror than before." What this beast was doing jacking off anywhere near a mirror is a mystery.

Studies have shown that after the start of an orgasm, throbs of semen begin to flow from the urethra, reach a peak at discharge, and then diminish in flow. The typical orgasm consists of 10 to 15 contractions. The rate gradually slows during the orgasm.

In the notes section, I first asked the test subject to describe the color of his load, using a standard paint chip scale we obtained from the hardware store. But instead of "clear glaze" or "eggshell," I started getting too many "popcorn," "smog," "underarm" and even "marble."

Inevitably, one of my research subjects was going to get himself arrested for fucking something that

shouldn't be fucked. It was a nightmare. And I had gained only limited insight into the process of improving spunk flow. But, I had made a few limited but important discoveries.

An entire field of discovery is out there for the next jizz researcher to take my data and run with it. Or run away from it.

INTERPRETATION

Our study suggests that women want a big rocket ship making a big explosion. It tells their evolutionary brains that you're more fertile than your male competitors.

Certain behaviors can spoil your chances at making or breaking penis history: Heavy smokers average 22% less spunk than their air-breathing counterparts.

Tap water may be convenient but it's not only full of toxins like fluoride used in rat poison, but it also contains a lot of recycled water, meaning it's full of pissed out hormones from women on birth control. Surely a man who wants to really unload can't be taking any female hormones!

Stop wearing those briefs. Fucking yuck. Also, they squeeze your balls against your body, thereby raising the temperature of your sac, making it impossible for your nad sweatshop to produce more semen. Switch to boxers.

Life is hard, but you've got to lay off the bottle. Alcohol use actually increases levels of estrogen in your body. That means you create less spunk and your tits grow.

Certain minerals such as the amino acids, L-carnitine, found in red meat and milk are supposed to increase your juice. When combined with zinc, Folic acid increases the amount of sperm produced. L-arginine (found in nuts, sesame seeds, eggs, and meat) is also highly regarded as a sperm enhancer. The aptly named Horny Goat Weed is also said to make you more milkable. Zinc oxide has a similar effect. The bark from the Brazilian Catuaba tree is also good for enlarging your load. Pumpkin seeds, maca, ginseng, and magnesium can also be combined to help swell your jism size. All of these supplements taken together will bring about a more copious load than if ingested separately.

Load blowing miracle pills currently on the market use these basic ingredients, only at five times the cost. In general, stay far away from mail-order pills.

Lose any unwanted weight and stay well hydrated.

If you get the chance, always cum in the presence of a woman, preferably one who's not related by blood. Just the presence of a female will stimulate your pheromones and give you more bang for your buck. Intensity and duration of the orgasm is directly related to the volume ejaculated.

Force = mass X acceleration.

KATIE SUMMERS

THE HIGH SOCIETY INTERVIEW

PORN VALLEY, CA—UP AND COMING ANAL QUEEN KATIE SUMMERS LOVES SEX AND WE KNOW THIS IS AN ABSOLUTE FACT—NOT JUST BECAUSE SHE TOLD US SO, BUT BECAUSE IT'S SO EVIDENT IN HER STEAMY SEX SCENES. SINCE KICK-STARTING HER PORN CAREER THREE YEARS AGO, KATIE HAS UPPED HER GAME AND NOW WORKS FOR SEVERAL OF THE MAJOR HARDCORE STUDIOS IN PORNLAND. THEY'VE ALL NOTICED WHAT AN AMAZING PERFORMER SHE IS. ONE OF THE MOST IN-DEMAND GIRLS IN THE BIZ TODAY, KATIE ISN'T AFRAID OF TAKING ON THE REALLY ROUGH AND TUMBLE SCENES THAT REQUIRE OVER-THE-TOP ANAL. *ANAL STUDENTS* FROM ELEGANT ANGEL AND *GASP, GAG AND GAPE 2* FROM EVIL ANGEL ARE PERHAPS TWO OF HER FINEST FILMS TO DATE. IN FACT, 2013 MAY BE THE YEAR KATIE EARNES THE COVETED "BEST ANAL SEX AWARD," A DISTINCTION THAT WOULD CERTAINLY PROPEL HER INTO THE RANKS OF SUPREME ANAL QUEEN. ALREADY ONE OF THE SEXIEST GIRLS IN PORN, MS. SUMMERS HAS BEEN GLORIOUSLY BLESSED WITH ONE NICE AND CURVY ASS. WE AT *HIGH SOCIETY* ARE VERY EXCITED THAT WE WERE ABLE TO LAND THIS EXCLUSIVE INTERVIEW WITH THIS SEXY, CUTE DYNAMO, AND WE'RE SURE YOU'LL AGREE, MS. SUMMERS IS CERTAINLY A HANDFUL!

HIGH SOCIETY: *I've heard you've done a gangbang, including DP, with seven guys.*

KATIE SUMMERS: I've done a few gangbangs, DPs, but the most I've done was with five guys. I think. I don't know. [Laughs] I don't keep count of the guys. If they're tested and they have a penis it's going to happen. [Laughs]

HS: *Who are some of the guys you worked with?*

KS: James Deen, John Strong, Mr. Pete. There's been a bunch. There's a lot of guys.

HS: *Name some of your favorite guys to work with?*

KS: Definitely James Deen, he's my favorite, Mike

Adriano, Mark Wood, Marco Banderas. Those are my top guys.

HS: *Were you also a fluffer in the Fuck-A-Fan series by Porno Dan Productions?*

KS: Well, I ended up fucking in it, too. I wasn't a full-on fluffer; I was the main girl. I love Porno Dan and, of course, I would do anything for him.

HS: *Was that easy for you to do, fuck a random fan?*

KS: Oh yeah. It was easy. You just go in and these are guys whose dreams you want to make come true, so why not fulfill them with four really hot, well-known girls?

HS: *Can you tell me about your upcoming role as Black Canary in the new Sinister X series.*

KS: I am the new Black Canary and I'm also in the first *Birds of Prey XXX*. I have a solo scene in there. Then we're going to film the second one pretty soon as well as *The Justice League 3D* parody.

HS: *You're now a sex advice columnist, as well?*

KS: Yes. On *Porncorporation.com* I have a sex advice column, where people email me different types of questions. Each week I answer different questions and I leave a tip of how to make it easier, just like an extra little, "Did you know" kind of thing. I got that going on which is really fun. I've been doing it for a few months now and it's been doing really well. I get really good questions, I get to help people out, and it seems to be working out just fine. The questions I've been getting are really basic like, "How do you

32088

HIGH SOCIETY 121

make your girl squirt?" or "How do you do anal?" It's nothing too complicated. I don't really get weird questions. Once in a while I'll get, "How do I get to fuck you?" and I'll go, "Yeah, you don't." [Laughs]

HS: *What got you interested in doing porn? Did you start out as a dancer?*

KS: I did and a girl I worked with introduced me to the adult film world. I didn't really give two thoughts about it. I said, "I'm totally down to do it," and I did it. [Laughs] I started in Florida and I worked my way up.

So if you want to jerk off to me, do it. I don't give a fuck. I want to know that you jerked off to me. I want to know how you felt.

HS: *Do you remember your first scene and were you nervous?*

KS: Not really. My first scene was actually really simple. It was for Reality Kings with Charles Dera. Everybody was chill, everybody was nice. It was really easy. I was like, "Wow! I like this. I like getting my makeup done." [Laughs] I liked being able to feel comfortable with my own body. I love it.

HS: *When people are watching you on film, they're jerking off to you. How does that make the real you, not the porn star Katie Summers, feel about it?*

KS: I honestly like it. I like it because I'm a pleaser and I like to fulfill those needs that people have. I masturbate to porn all the time, so why should I hate on something that I do every single day. [Laughs] I'm proud of myself. I wouldn't do it if I knew I was going to get grossed out by it. It's me. I'm a sex symbol and I want to share that with everybody. So if you want to jerk off to me, do it. I don't give a fuck. I want to know that you jerked off to me. I want to know how you felt. I'm a pleaser so, I'm here to please. [Laughs]

HS: *I definitely jerked off to you in Gasp, Gag and Gape 2 from Evil Angel.*

KS: I like it. I loved that movie. That was one of my favorite movies. I love Mark Wood. I love Marky Mark Wood, ohmygod! [Laughs]

HS: *I think the movie should be nominated by AVN for Best Anal Scene of the Year.*

KS: That's the one anal scene I want to get nominated for. It's so funny. I want that scene to get nominated so bad.

HS: What's the best and worst thing about being a porn star?

KS: The worst thing is waking up so early in the morning. [Laughs] That has to be the worst thing because I'm not a morning person. The best thing is meeting new people, going to work, having fun, and loving what you do. I absolutely love sex and I get

paid for it. To get paid for what I love doing is the best thing ever.

HS: Do you love the attention you get being a porn star?

KS: I love it, but I'm also really shy about it. I love when people want me. I love it. I get a lot more attention now than I ever did

and I actually like it.

HS: Where would you rate yourself on a scale of 1 to 10?

KS: I think I'm pretty hot, so I'd give myself a 9. [Laughs] I want my boobs bigger. Once I get my boobs bigger then I'll be a 10. I just had them done and I want them bigger. [Laughs]

HS: Just don't do anything to that ass because that is one of the nicest asses in the business.

KS: Nothing is happening to my butt except it's going to get fucked. [Laughs]

HS: Would you consider yourself a very dominant or submissive person?

KS: I can be very dominant or very submissive. It all depends on the comfort level of the person I'm with. In my personal life I'm very dominant. I want things done my way.

HS: Do you have anal sex often in your personal life?

KS: Not as much as I do on-camera, but I do it. My thing is I have to be really comfortable with the person I'm having sex with to be able to do that. A lot of guys think they can from what they see, but in the end they don't know jack shit. But I do have anal sex, I just don't have it as much as I would like in my personal life.

HS: Have you ever met a guy you wanted

32088

**Nothing is
happening to my butt
except it's going to
get fucked.**

to have sex with and he refused to do anal on you?

KS: No, not really. I've never been in those situations where I'm like, "Oh yeah I want it in my butt." I'm always in those situations where I'm "Hey, put it in my butt. Just do it, stick it in." [Laughs]

HS: Was your first anal experience a good or bad experience?

KS: My first anal experience actually hurt because I didn't know what the fuck I was doing. [Laughs] I was like, "I don't want to do this ever again." I didn't do it again until I got into porn.

HS: Who's the biggest guy in porn you ever

had up your ass?

KS: That's a really difficult question. Mike Adriano would probably be in the top three.

HS: You're not particularly known for doing a lot of girl-girl stuff.

KS: Actually, no I don't do a lot of it, which is really funny because I was nominated for "Best All Girl Sex Scene," and I think I've done 10 all-girl sex scenes in the past three years. Most people book me for boy-girl anal. That's what I'm known for, so I'm going to stick to what I know.

HS: I would say you're certainly on your way up to becoming an Anal Queen.

KS: Thank you. I'd like to think so. That's my goal in life. [Laughs]

HS: What kind of porn movies do you like to watch?

KS: I'm really weird. I have to watch crazy, fucking videos. That's me. I love it. I want to get off on something that I enjoy doing and I want to watch and masturbate to it.

HS: What was the hottest scene you ever did and whom did you perform with?

KS: Definitely *Gasp, Gag and Gape 2* with Mark Wood. That definitely had to have been the most amazing scene of my life so far. I've done a lot of amazing scenes, but that scene in that movie I'm so proud of. Of

My first anal experience actually hurt because I didn't know what the fuck I was doing.

32089

course, I love Mark Wood and it's directed by Francesca Le. That was the best.

HS: *I know you don't do a lot of girl-girl, but is there a girl in the business you really want to have sex with and why?*

KS: I just want to do a scene with Jesse Jane for Digital Playground. She has been in my sights since before I even got started in porn. I remember watching porn and Digital Playground would always be what I would watch. Jesse Jane's scenes would be what I watch. She's an amazing performer and I would love to work with her. We're both from Fort Worth, Texas which is amazing.

HS: *Do you like girls?*

KS: I do. I love girls.

HS: *So you've been with girls in your personal life?*

KS: Yes, I was with girls before guys.

HS: *Have you ever had a one-night stand?*

KS: I've had plenty of one-night stands. I'm a very sexual person and I'm not out there looking for a boyfriend. I don't care. I'm horny and if I want to have sex I'll have sex. That's it, simple as that.

HS: *Do you prefer big or average size cocks?*

KS: Anything below seven-and-a-half

inches is small to me, so I guess I'm a big-cock size girl. I'm not a size queen, but I definitely don't want them too small. What is this going to do for me? I'm not a normal girl, sorry. [Laughs]

HS: *What's one sex item you can't live without?*

KS: All of them. [Laughs]. My Hitachi. I have to have my Hitachi all the time. It's attached to my hip, it's right next to my bed, and it's my best friend. It's my boyfriend. [Laughs]

HS: *Why do a lot of porn girls date douchebags?*

KS: It's not just porn girls it's any girl. We're powerful people—girls—we have pussy power. We need someone who has the same amount of power or is bigger than us, so of course that's going to be the douchebag. That's just the way it is. [Laughs]

HS: *Have you ever gone out with a douchebag?*

KS: That's all I go for. If I like a douchebag, I'm a douchebag. If you're a wimpy person then I'm not going to be with you because I'm a sarcastic bitch and I need a sarcastic douchebag.

HS: *What does the future hold for you?*

KS: Longevity, more scenes, and hopefully becoming a director one day.

HS: *What do you want to say in closing to*

TURBO-D

FOR
ERECTION
PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase

sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU
WANT THE
**SEX
POWER
OF A
BULL?**

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

CRIPPLE THREAT

There's not a day goes by that **Eileen** doesn't replay the events leading up to the night that left her in a wheelchair. The notorious size queen misjudged the girth of a gimp's groincob and tried to impale her pussy with the supersized semen shooter. That was the last time Eileen had any feeling in her twat. Sure, she can still walk. And now she gets awesome parking spots and she has a legion of naughty nurses giving her home health care. But one day, she vows, she's gonna fuck again. "I believe you can do *anyone* you put your mind to," bravely smiles the disabled dick princess.
